MSゴシックDear Jennifer:

Thank you for your email and note on the Qualicaps's Brazil project.

I agree with you that MCHA will support Qualicaps and play a key role in the legal aspect and that MCHJ will supplement your support if the situation shall require support from Japan such as the explanation to MCHC's top management.

Best regards.

Masanori Sakaguchi, MCHJ

Dear Sakaguchi-san,

I hope this email finds you very well.

I am writing to advise you of a project that MCHA has been asked to support on behalf of Qualicaps. Qualicaps is looking at acquiring a capsule business in Brazil and has asked us to provide M&A support. Of course we have agreed. The project name is Project Genesis. We were asked by Tsuyuki-san and Ciro Ahumada. If you would like any additional details please let me know.

Regards,
Jennifer
